

## Keep Calm and Pom-Pom

Following all the recent changes to what we can do and where we can go, we may be stay at home folks for a while, if so can you help me with a Christmas project?

Yes, I did say Christmas- we need to be positive and think practical here so let's plan for happier times!

Can you – make pompoms? Any colour, and thickness of wool and any size. Please make as many as you would like to. If you need wool contact me and I can hopefully leave with you.

email me: [hannah.middleton1@btineternet.com](mailto:hannah.middleton1@btineternet.com)

or ring 075480900290

Let's turn our frowns of unease into smiles of joy!

And go pom-pom! Feel free to contact me and share progress I can keep you all updated via the church website too.

**Thanks Hannah x**
